Mckenna border wool runner in Ochre, £99, Cult Furniture

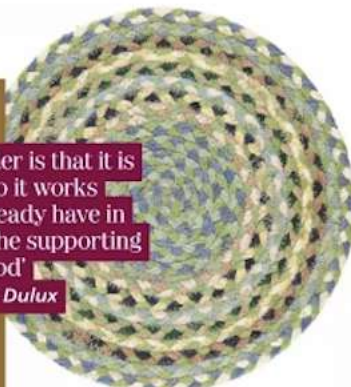

Wild Wonder
Reconnect with nature by introducing the neutral sandy hue of **Dulux's Colour of the Year** into your existing scheme alongside organic materials such as cotton and jute

"The most wonderful thing about Wild Wonder is that it is one of nature's foundation colours and so it works effortlessly with every other colour you already have in your home. Use it as the hero shade or just the supporting accent and it will look equally good"
Marianne Shillingford, Creative Director at Dulux

This soft and calming shade is an ideal backdrop for creating a relaxed, bohemian style in your own space
